UNITED STATES
DEPARTMENT OF THE INTERIOR
OFFICE OF INDIAN AFFAIRS
FIELD SERVICE

Box 757, Sacramento Indian Agency,
Sacramento, California,
February 23, 1932.

Mr. William L. Goldsmith,
Box 757, Sacramento Indian Agency,
Sacramento, California.

My dear Mr. Goldsmith:-

I enclose Blanket Application No 10645 comprising the remaining unenrolled Mission Indians which are to be handled in the usual way. Cards are to be prepared for each family group and for each single person in the same manner as you handled the Yuma Indian Agency blanket application.

On some of the application sheets, namely, Pala, Pechanga, Torros-Martinez and possibly a few others you will find the application number just after the name. You will insert this number on each card where it is given on the census list.

I send also the Mission Indian Agency roll of June 30, 1928 which will enable you to get the husbands and wives together. I also send you the blank forms which we prepared for missing husbands and wives and the use of these two together will help you assemble the various families. In a number of instances you will find the application of the husband and wife on file-- in such cases you may use the card already prepared noting on the census list the application number of the husband or wife as the case may be.

Hold in a separate file until I return. In any doubtful cases you may withhold action until I can give the matter personal attention.

Very truly yours,

Fred A. Baker, Examiner.
